Sojourner Truth: DLP-Audio Instructions

A student narrator records excerpts from the writings of Sojourner Truth onto an MME musical template.

What you will need:

- Audio Editor (Audacity [suggested] or Windows/Apple in-house audio editors)
- DLP-Audio Template <mp3>
- Lyrics Worksheet

Steps:

1) Using the audio editor, upload the DLP-Audio Template <mp3> onto a new track. Listen.

2) Listen again, using the Lyrics Worksheet to identify and mark (using time-code) student "fill" sections. These are the parts of the song to which students will add vocal tracks.

3) Use DLP-Primary Sources or follow teacher guidelines to write lyrics for the student fill sections.

4) Rehearse. May be sung, rapped or narrated.

5) Record additional vocals onto a new track
